She said that she wanted  
To be my one and only, flaunt it  
Walkin' with a princess on my arm  
She ain't the lasting type  
She hits the sky just like a kite  
And leaves me in the dust dazed and confused

Summer's comin' and she just dropped the bomb  
Told me I'm the only one  
She could've never been more wrong

[Chorus]  
Look who's laughin' now  
Look who's laughin' now  
Well it ain't funny anymore  
Look who's laughin' now  
Look who's laughin' now  
Well it ain't funny just a bore

All my friends they told me  
Nothing more than crazy stories  
She'll use you up and hang you out to dry  
But I was blind to all I heard  
Stubborn me I'll never learn  
Hopped in her car, She took me for a ride

The sky is fallin', right before my eyes  
She told me that she loved me  
I should have realized

[Chorus]  
Look who's laughin' now  
Look who's laughin' now  
Well it ain't funny anymore  
Look who's laughin' now  
Look who's laughin' now  
Well it ain't funny just a bore

She said that she wanted  
To be my one and only, flaunt it  
Walkin' with a princess on my arm

She ain't the lasting type  
She hits the sky just like a kite  
And leaves me in the dust dazed and confused

Summer's comin' and she just dropped the bomb  
Told me I'm the only one  
She could've never been more wrong

[Chorus]

Look who's laughin' now  
Look who's laughin' now  
Well it ain't funny anymore  
Look who's laughin' now  
Look who's laughin' now  
Well it ain't funny just a bore
