YouÃ¢â¬âd be winning, they be hating, nigger, all
my damn life
If you want it you gonna take it, nigger, all my damn
life
By any means just to make it, nigger, all my damn life
All my damn life, all my damn life.
If you want it, you gonna take it, nigger, all my damn
life.
By any means just to make it, nigger, all my damn life
YouÃ¢â¬âd be winning, they be hating, nigger, all
my damn life
All my damn life, all my damn life.

What the fuck you gonna rap about, nigger?
How you move in that dope, plus your gun
Talk about how we got hope, how you about to turn up,
Okay, thatÃ¢â¬âs cool, but it ainÃ¢â¬ât me,
been around the block and no time to see,
Half of these niggers be faking, trying to set you a
dream,
But false donÃ¢â¬ât last in these streets.
IÃ¢â¬âm just worrying about mine, stand up guy,
living by, not die by.
Those four letters, like a way of life and I put it all on
the line.
IÃ¢â¬âm from a place where niggers donÃ¢â¬ât
value life, if you do it good, they wanna take it from
you.
Treat it like motivations and they hate the hunting, give
niggers an inch, they wanna boil the under.
So youÃ¢â¬âre down, count your pockets, I earn
this hell, whatÃ¢â¬âs in your wallet?
School motherfuckers call this rap college,
youÃ¢â¬âre fucking now, better do the knowledge
No delay, we got to get pay, thatÃ¢â¬âs what I
pledge, you donÃ¢â¬ât wanna be broke like
thatÃ¢â¬âs whatÃ¢â¬âs it
You canÃ¢â¬ât count me out, nigger,
thatÃ¢â¬âs a sin.

YouÃ¢â¬âd be winning, they be hating, nigger, all

my damn life

If you want it you gonna take it, nigger, all my damn life

By any means just to make it, nigger, all my damn life
All my damn life, all my damn life.

If you want it, you gonna take it, nigger, all my damn life.

By any means just to make it, nigger, all my damn life
YouÃ¢â¬âd be winning, they be hating, nigger, all my damn life

All my damn life, all my damn life.

My competition like comedy, white ass raps, all

IÃ¢â¬âm saying is beats

My stalinglass raps make them whole see how it works
painted picture like the whole set scene

Base being hard Ã¢â¬âabout the blow fifteens, doing
your job, thatÃ¢â¬âs hating on me

But I move like the money, I still gonna eat, thinking
broke, looking boomy, you still gonna be.

Let me niggers, IÃ¢â¬âm living life, you
contemplate and I did it twice,

IÃ¢â¬âm hall of fame-ing like Jerry Rice,

thereÃ¢â¬âs no debate and I did it nice,

When I die, niggers probably hitting my after life,
damn shame, feel sorry for you.

Conversating about bribe with account employers,
franklers, janklers, not a toy.

Run with the tide, self afload, and you ainÃ¢â¬ât
soil, but across the board,

Say youÃ¢â¬âre moving at work all across the
border, ducking child support, canÃ¢â¬ât support
your daughter,

Same motherfuckers that dodge your support they
wanna judge me like I will scort Ã¢â¬âem.

Good in the crossing, just call me Jordan, game in the
shot, hold your recall.

YouÃ¢â¬âd be winning, they be hating, nigger, all
my damn life

If you want it you gonna take it, nigger, all my damn
life

By any means just to make it, nigger, all my damn life
All my damn life, all my damn life.

If you want it, you gonna take it, nigger, all my damn
life.

By any means just to make it, nigger, all my damn life
YouÃ¢â¬âd be winning, they be hating, nigger, all
my damn life

All my damn life, all my damn life.
