We get money and you don't, we fuck bitches
that you won't,
We be holding up the trophy while you argue with the
coach
We do it big, never subtle, we're passed out
while you fumble,
While we're screaming in the cameras like
"fuck being humble"
We get money and you don't, we fuck bitches
that you won't,
We be holding up the trophy while you argue with the
coach
We do it big, never subtle, we're passed out
while you fumble,
While we're screaming in the cameras like
"fuck being humble"

Three strikes with the heat light, deaway, cautious,
don't pump like a shoe chase
Walking all in my shoes, taking you day, me and my
niggers tired like always.
PA nigger, little country grimmer, eight light years till I
shop in Atlanta.
Tellin' y'all niggers you
don't box with a hammer, your career in a box
like a shot for the camera.
Say cheese, nigger, is showtime, making dollar
speech, when I speak is a gold mine.
Cold side seats with the odd of the gold line, thinking
that's me, but you're thinking it is
your time.
Negative, you will better crave name with a d when you
buckle with a relative
Fucking up the beat, you ain't have a nigger
better that
Obvious than me, who they're hating off a
feral ring.
No fresh in class in session, overpay dues, I collect with
impression,
Step in my shoes I react with a weapon, give me pro
tools, get a mic in the session.

I recite a uology if itÃ¢â¬â, ãâ, çs you and me. Name top
biller, who the fuck you think they came to see?
Imma show bet like flowing down in Vegas, let me take
a break for the haters.

We get money and you donÃ¢â¬â, ãâ, çt, we fuck bitches
that you wonÃ¢â¬â, ãâ, çt,
We be holding up the trophy while you argue with the
coach
We do it big, never subtle, weÃ¢â¬â, ãâ, çre passed out
while you fumble,
While weÃ¢â¬â, ãâ, çre screaming in the cameras like
Ã¢â¬â, ãâ, ç“fuck being humbleÃ¢â¬â, ãâ, ç
We get money and you donÃ¢â¬â, ãâ, çt, we fuck bitches
that you wonÃ¢â¬â, ãâ, çt,
We be holding up the trophy while you argue with the
coach
We do it big, never subtle, weÃ¢â¬â, ãâ, çre passed out
while you fumble,
While weÃ¢â¬â, ãâ, çre screaming in the cameras like
Ã¢â¬â, ãâ, ç“fuck being humbleÃ¢â¬â, ãâ, ç

Confidently cock, you wonÃ¢â¬â, ãâ, çt stop me, flow hit
like Rocky, who could box me?
Who be guessing these niggers as far as I could see,
youÃ¢â¬â, ãâ, çre just wasting your money, you
ainÃ¢â¬â, ãâ, çt like me.
IÃ¢â¬â, ãâ, çm likely ot to get all, lights, cameras, party
with bimbos
I stand these hoes with a second no, looking for a ticket
we donÃ¢â¬â, ãâ, çt even pay to see
Bitch be on top, they wonÃ¢â¬â, ãâ, çt let us see the sun,
when your mouth talk down let her see your gun.
Got me feeling like a bank when IÃ¢â¬â, ãâ, çm seeing
fun, hold in me, guess IÃ¢â¬â, ãâ, çm really hun
All the niggers hate horrible I make, niggers should be
seeking God as on the automotos way.
Conversating with a prollic, private airport, private
plane, IÃ¢â¬â, ãâ, çm so full of shit, you ainÃ¢â¬â, ãâ, çt
evem lead to stay.
SFBE is so real, got to puzzle hard, joggle and
ainÃ¢â¬â, ãâ, çt got no deal
Fresh print to the hood, no we not know will, fuck being
humble, you ainÃ¢â¬â, ãâ, çt got no chill.
Never had, never will, thatÃ¢â¬â, ãâ, çs the way it goes.
Chop it down my skill, impossible
Front page every day, IÃ¢â¬â, ãâ, çm the latest, let me
take a break for the haters.

We get money and you donÃ¢â¬â, ãâ, çt, we fuck bitches
that you wonÃ¢â¬â, ãâ, çt,

We be holding up the trophy while you argue with the coach
We do it big, never subtle, we're passed out while you fumble,
While we're screaming in the cameras like
"fuck being humble"
We get money and you don't, we fuck bitches that you won't,
We be holding up the trophy while you argue with the coach
We do it big, never subtle, we're passed out while you fumble,
While we're screaming in the cameras like
"fuck being humble"
