It was hit and run when ya took my heart away

Nothin' you could do to change my mind

Nothin' you could say to make me stay

Here I go alone,into the night

(chorus)

I can't live with ya

I can't live without your love

I can't live with ya

I can't live without your love

You terrorize my dreams at night

I crave your touch to chase my blues away

And nothin I could say to make ya stay

Here I go again,into the night

(chorus)

I can't live with ya

I can't live without your love

I can't live with ya

I can't live without your love

I try and try to change my mind

There ain't much hope

Now ain't no time

The situations got the best of me

Awwwww yup....

(Guitar Solo)

Nothin' I could say

To make me stay

Here I go again

Into the night

Here we go baby.....

(chorus)

I can't live with ya, can't live without you

I can't live with ya, can't live without you

No

Can't live with ya, can't live without you Can't live with
ya, can't live without you No, no
