Never before have I turned on you  
You look too good to me  
Your beady eyes, they could cut me in two  
And i just can't let you be  
Well, it's a free for all, and I heard it said  
You can bet your life  
Stakes are high and so am I  
It's in the air tonight

See you there with your cheshire grin  
I got my eyes on you  
Shake yout tail feather in my face and there's no tell in  
what I'll do  
Well looky here, you sweet young thing: the magic's in  
my hands  
When in doubt, I'll whip it out. I got me in a rock'n'roll  
band  
It's a free for all

Here we go ! Look out below ! I'm on the prowl tonight  
When it's said and done, I'll have my fun. I can chew  
anything I bite  
Come on, come all, to a midnight ball. The invitation's  
there  
Come alone and I'll drive it home. I'll help you, I do  
declare  
It's a free for all

Never before have I turned on you  
Well you look too good to me  
Your beady eyes, they could cut me in two  
And i just can't let you be  
Well, it's a free for all, and I heard it said  
You can bet your life  
Stakes are high and so am I  
It's in the air tonight  
It's a free for all
