This is new vengeance.

I like noise  
I suck art  
I like romance when it's in my car.  
This is new vengeance.

I like games  
I like you  
I like pressure if it hurts them too.  
This is new vengeance.

I'll do it, I can do it  
I'll take it, if I want it  
I'll say it, if I feel it  
I'll have it, if I need it

Sold out  
No shit  
Don't need approval and I don't need this.  
This is new vengeance.

I like cars  
I like fame  
I like people when they call my name.  
This is new vengeance.

I'll burn your picture  
I'll burn your house down  
I'll change your world then  
I'll listen to reason.
