I don't wanna hear you talk
And I don't wanna go for walks
But I just wanna lay you flat
Well you think you're so good at that

I've got no time for your sad eyes
I don't care if you say good-bye
I don't really think that I want
Anything to do with your

Out of sight
Out of mind

The radio continues 'round me
Blending faces glaring at me
How was I to telephone
Crawl away to end it all

Spiral staircase leads to nowhere
I an take you somewhere (who cares)
Dee-Dee's crazy as a model
I'd break your heart if I'd got time

Out of sight
Out of mind

? (I'm very sorry, but I can't make out what in blazes
he's singing.)

?
?

I hate you all I hate you all
You're breaking down my message wall

Out of sight
Out of mind

(The two last verses are missing in the CD booklet.)
