the dream police
slogan: "what is on your mind"
the airwave boys
junkies won't get radio time
the purist league
white trenchcoats in pre-war style
the aging queens
mister won't you stay a while

in death row with Harlow
and others like you
i point my finger of hate
at you and love you and love you
the radio is talking
is it you or me
i must admit
it's far too late to dial police

what is your name
we are the end of the line
her eyes went out
dreaming "overdose on time"
hey you old grey eyes
don't practice dying for real
the only one
September she knows i can feel
