Breathe in and out again
And pray that it isn't all in my head
If I'm getting out of bed
Then I'm getting off the ground
If you're going to say to me I have to
Take the fall
I'm only, I am only a soul in decay
I'm only, I am only lost in the race
I'm only, I am only a burden at hand
But when I see your face I spread my
wings
Catch the sun and just fly
Pray and you shall be saved
Believe is what they'd have me do I see
If I'm getting out of bed
Then I'm getting off the ground
If you're going to say to me
I have to take the fall
I'm only, I am only a soul in decay
I'm only, I am only lost in the race
I'm only, I am only a burden at hand
but when I see your face I spread my
Wings
Catch the sun and just fly
