

U.P.O. "Feel Alive"

Visit "[Feel Alive](#)" on MotoLyrics.com

I'd like to walk beside my hidden fear
I'd like to gaze into the clear
I'd like to have my spirit unbound and free again
I'd like to live without this constant pain

Feel alive
Feel alive

I'd like to wash myself, shed my skin
I'd like to swallow life, drink it in
I'd like to taste colors that are deep in view
I'd like to dance in fire with you

Feel alive
Feel alive

Feel alive
Feel alive

Alive

Tempting spirits, breeding, lusting, thriving bodies,
salts and sins
Sacrificing chastened thoughts while visions pass unto
the wind
Lying, bathing, gorging, tasting, fever blessing
requiem
We're touching, touching, we're touching all our sins

Feel alive
Feel alive
Alive
