Move like you wanna trip away
Run like you want to break away
Aahh
Breathe like you wanna tell me stay
Throw and the light will shine away
I'm free
And away
I'm free
And away
Jump over them
Jump over them
Roll
Jump over them
Jump over them
Roll
Jump over them
Jump over them
Roll
Jump over them
Jump over them
Roll
I tried to break you of it
I celebrate you on it
Untie your hands and walk away
I'm free
And away
I'm free
And away
Jump over them
Jump over them
Roll
Jump over them
Jump over them
Roll
Jump over them
Jump over them
Roll
Jump over them
Jump over them
Roll
Some say you say you want it
Some say you say you need it

Some say you hide behind your shadow, shadow
I'm free
And away
I'm free
And away
