

U.P.O. "My Life"

Visit "[My Life](#)" on MotoLyrics.com

Rain is falling down inside my head
The pain is always there to stop the sun
From shining and, and the world feels heavy
Oh I can see my eyes have kept the pain
From a world that is empty again
And I feel my life is at the edge
Of a road that has ended again
Stay and watch the waves wash over me
The wait is almost over and
I'm flying, I'm flying,
I'm dying so sweetly
And I can see my eyes have kept the pain
From a world that is empty again
And I feel my life is at the edge of a
Road that has ended, again
