Down the aisle my bride in black you were water and i
was the tide at the bar i got in another fight i kissed the
ground goodnight we stole plenty we spent every
penny why not we're young and wrong bonnie and
clyde they had nothing on us except for murder money
and blood from here on out i'll be poverty i've got
futureless heavenly dreams the brought me in and i
did my stretch i learned my lesson we stole plenty we
spent every penny why not we're young and wrong
bonnie and clyde they had nothing on us except for
murder money and blood we gave em the slip more
than we caught can't tax that side of the law a cadillac
tramp and carnival thief outlaws from dirt and mud
