That's life, that's what i say, shot up in april, strung out
in may, but i know it wont, be too soon, when im back
on, night train in june, i said that's life, as funny as it
may seem, all of my friends get their kicks stompin on
my dreams but i don't let it let it get me down 'cause
this fucked up world keeps me spinning around ive
been a puppet, pauper, pirate a poet, a pawn & a king,
ive been up and down over and out and i know one
thing, each time i find my self flat on my face, i pick
myself up and get back in the race that's life i tell ya i
can't deny it t thought of quittin lady my heart aint
gonna buy it and if i didn't think it was worth one single
try i'd shoot me up a bag and then I'd fly that's life and
i have defied it many times i have cut out but i haven't
died yet and if there is nothing shakin by this july im
gonna shoot myself up with a speed ball & die!
