Wouldn't It Be Good for you to be a friend of mine
Drop by come and see me anytime
We could laugh and talk about the stars above
And we could fall in love

And Wouldn't It Be Good for me to take you for a ride
Come along I'll take you to the countryside
We could sing and listen to the radio
Sing along it goes

Wouldn't It Be Good?
Wouldn't It Be Good?
Wouldn't It Be Good To Be A Friend of Mine

Wouldn't It Be Good for you to be a friend of mine
Drop by come and see me anytime
You're a friend of mine

Wouldn't It Be Good for you to help me heal my mind
Show me all the reasons why it's good to be alive
We could live and make ourselves right at home
And we'd never have to be alone

And Wouldn't It Be Good for us to raise a family
Never fear the day that you might bring me misery
We could learn how to let the feelings go
Sing along it goes

Chorus

Wouldnt it be good for you (It'd be good for you)
Wouldnt it be good for you to be by my side

Chorus
