Take me baby, I'm all yours, do just what you wanna do
with my love

Take me baby, I'm all yours, do just what you wanna do
with my love

With my love, with my love

Standing here alone with you

Wondering what it is that I'm supposed to do

And there you are with the lovelight in your eye

The bridges are burnt down, your arms are open wide

Am I in too deep or should I swim to the shore ?

Is this the real thing ? I don't know but I've never been
here before

And I feel a thunder in my heart that I just can't control

I feel a thunder in my heart, should I walk away or
follow my soul ?

And I feel a thunder in my heart that I just can't control

I feel a thunder in my heart, should I walk away or
follow my soul ?

Take me baby, I'm all yours, do just what you wanna do
with my love

Take me baby, I'm all yours, do just what you wanna do
with my love

With my love, with my love

Standing here alone with you

Wondering what it is that I'm supposed to do

And there you are with the lovelight in your eye

The bridges are burnt down, your arms are open wide

Am I in too deep or should I swim to the shore ?

Is this the real thing ? I don't know but I've never been
here before

And I feel a thunder in my heart that I just can't control

I feel a thunder in my heart, should I walk away or
follow my soul ?

And I feel a thunder in my heart that I just can't control

I feel a thunder in my heart, should I walk away or
follow my soul ?
