Performed by Montell Jordan

This is a special song for you shorty

Cause I think you forgot how it started out

And I'm about to take you way back

To our once upon a time

(Once upon a time, oh)

Yeah

(Once upon a time)

Do you remember how we used to look at each other?

(Once upon a time)

Talk to each other, psh I remember

Now it seems to me

You're living in a dream world, fantasy

In love with a nigga that can never be

What I can be

(Ya think ya ballin' now)

But do you recall?

Us bus riding, window shopping at the mall

We were broke as a nigga but we had it all

We had it all

I'm here to remind you of our

Once upon a time, oh

Once upon a time

Once upon a time, oh

(Once upon a time)

Once upon a time, oh

(I remember when)

(You came into my life)

Once upon a time

(Making love all night)

Once upon a time, oh

(Once upon a time)

As time goes on

Now we made some dough

But separate not together

Like we planned it all

So how it all became was

What's mine is mine, what's yours is yours

What the hell were we thinking?

If I could read your mind

I'd reach into your heart and soul

To find the love that was missing

Left so far behind, so far behind

I'm here to remind you of our

Once upon a time, oh

Once upon a time

Once upon a time, oh

(Once upon a time)

Once upon a time, oh

(I remember when)

(You came into my life)

Once upon a time

(Making love all night)

Once upon a time, oh

(Once upon a time)

As time goes on

Take it to the bridge now

Oh, oh, oh

I don't think you feel me baby?

Oh, oh, oh

Once upon a time

Hold on, hold on baby

And do you remember?

Running up your mama's phone bill baby

Didn't wanna hang up for nothing

And it's a quarter to three

Kept on talking for hours

Till we both fell asleep

Once upon a time, oh

(Just think about it, think about it)

Once upon a time

(Whoa)

Once upon a time, oh

(I'm gon take you back right now)

(To the bus pass days)

Once upon a time, oh

(Now do you remember?)

Once upon a time

(Standing on the bus stop with me baby)

Once upon a time, oh

(We had no fancy cars and no diamond rings)

(No credit cards, no bling, bling)
