(Chorus)

Oh no! Oh, oh oh oh no!

Ain't nothin holdin me back now, holding me back now!

Oh no! Oh, oh oh oh no!

Ain't nothin holdin me back now, holding me back now!

Oh no muthafucka, suck up that lip!

Cause I'm back in this muthafucka and I'm ready to trip!

So I hope u never doubted me, cause here I am

Packed in ya ear drum, like a can of span

And I wouldn't give a damn if u hated me now

Because my family hears me out and bumps this shit out loud

You can call us psycho,crazy,insane, with noone to blame

So we just sit in the rain

Waitin for the right day to get what we deserve

Like respect from the cops on the curb at the concert

Nice titties, my oh my, but when the tear gas fire

You better close your eyes

Every time a new adventure, punch a horse in the face

Smoke a blunt blunt in the forest while you piss in the lake

Situations fucked up, fun and foul

But it's a whole new year so try and stop me now

(Chorus)

Do you believe in what you do?

Don't stop,don't let noone hold you

Back from what you really wanna do

Besides in this life all you got is you

Keep your heart clear(Keep your heart clear)

Don't let go!go..go.. So emotional

Believe me.. I know!!

(Chorus)

You can't hold me back, because I'm comin for a throttle

Hand on my hatchet, who wanna see a head bobble?
I see my streets, like it's a native warfield
And im the only white-skin left, standing with no shield
So I started to chop cause I can't stop
Its looking too peaceful up there on the top
So im, doing everything that I must
Even if I gotta bust on the ones I can't trust
Aint nothing hold me back! Aint nothing stopping me
from takin what's mine!
(You Can't Stop Me! You Can't Stop Me! You Can't Stop
Me!)
Aint nothing hold me back! Aint nothing stopping me
from takin what's mine!
(You Can't Stop Me! You Can't Stop Me! You Can't Stop
Me!)
(Chorus Repeat til the end)
