You retreat, i advance
You cry on graves, while i dance
You will ebb, and I will flow
Iâ€™m so sure about you, you don't know

The more I love you, the more you stray
The more I leave you, the more you come for me
Dance like this, dance like that
Love me, love me, love me like a baseball bat

But the music sounds so sweet
The music comes so easy, easy
Why canâ€™t we?
Câ€™mon, count me in.
Câ€™mon, let's play it again

Now i retreat, you advance
Goddamn this goddamn dance
Lover, how i miss you so
Oh, i wish i never wouldâ€™ve let you go
I wish i never wouldâ€™ve let you go

But the music sounds so sweet
The music comes so easy, easy
Why canâ€™t we?
Câ€™mon, count me in.
Câ€™mon, let's play it again

â€œwhat do you want,â€ he said all coy,
â€œsome kind of boy toy? some kind of boy toy?â€

But the music sounds so sweet
The music comes so easy, easy
Why canâ€™t we?
Câ€™mon, count me in.
Câ€™mon, let's play it again

two broken birds, you say, weâ€™re two left feet
now take your coat off and make a mess of me
so Iâ€™ve got a broken heart
so what, itâ€™s a heart you could start
yeah, itâ€™s a heart you could start

so shut up, shut up, shut up
