It's a mean wind you spin
It's a mean wind you spin

It's a low blow
I can feel it from my hips to my toes
It's a low blow you throw

So what's it gonna be?
(Ah-ah...)
What's it gonna be?
(Ah-ah...)
What's it gonna be?
(Ah-ah...)
What's it gonna be?
(Ah-ah...)

It's a wow wow wow wow wow
Kinda thing you make me thinking about
A kinda wow wow wow wow wow
From your mouth

So what's it gonna be?
(Ah-ah...)
What's it gonna be?
(Ah-ah...)
What's it gonna be?
(Ah-ah...)
What's it gonna be?
(Ah-ah...)
What's it gonna be?

What? So what?
You say you're in a rut, you're f*cked
You oughta double dutch, it's fun
And then you'll see the sun
I'm right, so right
Just do it on the one
Uh-huh
And now you feel right!

It's a mean wind

It's a mean wind
It's a mean wind
It's a mean wind you spin
It's a mean wind you spin

So what's it gonna be?
(Ah-ah...)
What's it gonna be?
(Ah-ah...)
What's it gonna be?
(Ah-ah...)
What's it gonna be?
(Ah-ah...)
What's it gonna be?
