Operator get me through  
Operator get me through  
Got to get me through to you, to you  
can you see them, they all look the same  
did you hear them they cried out your name  
Can you feel them they're dying in shame  
they're dying in shame  
they're dying in shame  
they're dying in shame  
Operator get me through

What's your name?  
What's your name?  
What's your name?  
What's your name?
