Good dream gone bad

First time he crossed my path I said  
He was something that I had to have  
And I usually get just what I want  
This time was no exception  
It wasn't all that hard to catch him  
Next time I'll be more  
Careful what I wish for

It was a good dream  
Then came reality,  
And I woke up  
A little sad  
Didn't exactly break my heart  
Just tore my fantasy apart  
It was a good dream gone bad

Thought he was the one sure  
But hey, we've all been there before  
When you think you finally got love right  
And I can make some lame excuse like  
Love is blind, but the truth is  
Saying he was wrong for me is  
I will stay alone this century

It was a good dream,  
Then came reality  
And I woke up  
A little sad  
Didn't exactly break my heart  
Just tore my fantasy apart  
It was a good dream gone bad

Seemed like a perfect plan at the time  
Didn't quite turn out like the picture  
In my mind

It was a good dream,  
Then came reality  
And I woke up

A little sad  
Didn't exactly break my heart  
Just tore my fantasy apart  
It was a good dream, good dream, good dream  
Gone bad
