I know you think you're all that
But you're not where it's at
You don't even have a clue
You think you're so darn cool
I think you're more like a fool
And I'm way past through with you

So keep on wishing on that broken star
And I'll be anywhere but where you are,

Cause you're so out of my mind,
You're so not my kind
I'm so over you in every way
You're so not for me, so not what I need
Let me give it to you straight
You're so yesterday

It's you and nobody else,
Please, get over yourself
Stop bothering me
You say that we're in love
I'm thinkin' not so much
I couldn't be more free

They say it's better to have loved and lost
I'd say you're nothing but a dream come fast

Cause you're so out of my mind,
You're so not my kind
I'm so over you in every way
You're so not for me, so not what I need
Let me give it to you straight
You're so yesterday

Keep on wishing on that broken star
And I'll be anywhere but where you are,

Cause you're so out of my mind,
You're so not my kind
I'm so over you in every way
You're so not for me, so not what I need

Let me give it to you straight
You're so yesterday
