I'm down, I'm down,
I should be one of the beatles
Life's a sad song, hard to tweedle deedle
Just to catch a nod, be off,
Bring home the bacon
Humiliations from the boss
Tha costs what I'm takin', fakin' many smiles

All debts on her lap
Man so I pay the bills,
Little rhythm rhyme skills
Nine to five I build
Gotz to relax to score
Be mature honey 'n chill
With the rent of the month, the period of the month
Headcracker has begun
The place that I got to run is the

Hang out, hang out

I truly believe I got that giant's feel
I truly believe I got that giant's leap
I truly believe I got that giant's feel
You gotta watch me take a hundred storey height

Hang out, hang out
