Visit "[Nonstarter](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Check the pace  
Where you used to pick up the pace  
Headin' for collision like the dragrace  
Remember situation nowhere  
Some props "oh you're tops now, how you on there ?"  
Used to stand in the corner, try to get warmer  
Bustin' moves, routines, how to be the best performer  
Eyeballin', standin' tall and steady, yes y'all'n  
Vocation, what yo facin', claimin' it's your call and  
Here you'd go, rhymeflow, versatile steelo  
More finesse on vocab, like you would perfect the  
electro  
Boogie rookie ! the regular transform to the swivy  
Chiefrock on the flock, status becomin' heavy  
Always feel the breath of the ones behind you left as a  
peer  
Prize in front hunger overcomes if the mind ain't clear

Runner up, it's a runner up  
Now, best slow down, like the b in brand nuby  
Fame penetrates, then fades, like the life of jack ruby  
Success is a carcass, rottin' like leftover  
One day happy as clover, next day flash in the pan,  
move it over  
Then flavor is a major, not the real survivor  
Eat a dish, prepare another, stay alive  
Revolution's a solution when the peeps dig the  
contribution  
Hit by confusion, seclusion, makes it only amusing

Runner up, it's a runner up
