

O "NAME"

And even though the moment passed me by
I still can't turn away
Cause all the dreams you never thought you'd lose
Got tossed along the way
And letters that you never meant to send
Get lost or thrown away
And now we're grown up orphans
That never knew their names
We don't belong to no one
That's a shame
But if you could hide beside me
Maybe for a while
And I won't tell no one your name
And I won't tell em your name
Scars are souvenirs you never lose
The past is never far
Did you lose yourself somewhere out there
Did you get to be a star
And don't it make you sad to know that life
Is more than who we are
You grew up way too fast

And now there's nothing to believe

And reruns all become our history

A tired song keeps playing on a tired radio

And I won't tell no one your name

And I won't tell em your name

I think about you all the time

But I don't need the same

It's lonely where you are come back down

And I won't tell em your name
