Tho' we meet with the darkness and strife

The sunny side we also may view

[cho:] Keep on the sunny side, always on the sunny side,

Keep on the sunny side of life

It will help us ev'ry day, it will brighten all the way

If we'll keep on the sunny side of life

The storm and its fury broke today,

Crushing hopes that we cherish so dear;

Clouds and storms will, in time, pass away

The sun again will shine bright and clear.

Let us greet with the song of hope each day

Tho' the moment be cloudy or fair

Let us trust in our Saviour away

Who keepeth everyone in His care
