Come

Ill come with you always my love  
Your eyes, they burn with passion  
And you, hypnotize me..

Coz I like the way you feel right..

Ive found myself in you  
I feel so whole  
I am for you always, take me baby..

Coz I like the way you feel right..  
Coz I like the way you feel so right..

Ill come with you always my love  
Your eyes burn, they burn with passion  
And you, hypnotize me..  
Coz I like the way you feel right..  
Coz I like the way you feel so right..  
Coz I like the way you feel right..  
Coz I like the way you feel..

I know you know you want me to  
And so do I coz I want you to  
You say you want me to come with you  
And I reply..

Coz I like the way you feel right..  
Coz I like the way you feel so right..  
Coz I like the way you feel right..  
Coz I like the way you feel..

Coz I like the way (I like the way)  
Coz I like the way (I like the way)  
Coz I like the way  
Coz baby I like the way (way)

Coz I like the way (I like the way)  
Coz I like the way (I like the way)  
Coz I like the way

Coz baby I like the way
