The last words were spoken
Was left there just standing around
Trying to grasp what you said to me
Your goodbye was the last thing on my mind
I tried to reply but was left there tongue tied

How could you ignore it?
Brushed it all aside
Wasn't ready for the
Big surprise

Took me down
Your mouth like a gun
I couldn't believe that you're letting me go

How could you ignore it?
Brushed it all aside
Was left there empty handed
When you said goodbye

Goodbye
