we're caught up in a little world  
hush now she says, darlin' no need for words

Slow as you flow, coz tonight its gonna be easy  
slow as we go, coz tonight we're gonna be free

Real loving, real loving, real loving she gives to me....  
real loving, real loving, real loving ye-yeah...

„Quite poetic  
her body breaks in to rhyme  
quite poetic, her moves says it all...

the candles blow in your eyes  
re-elevate, great time replays in our minds...

Sensual, the tides of love could bring  
(sensual the tides of love could bring)  
breaking waves in our hearts we sing...  
you dont need to say a thing to me  
(her actions show)  
try to give a roll to say...

quite poetic, her body breaks in to rhyme  
quite poetic, her tongue's of mind  
quite poetic, she speaks through her eyes  
quite poetic, her moves says it all...

her moves says it all...  
her moves says it all...  
her moves says it all...
