Fear

I drive away from all  
I've fallen too deep from the world  
I know not what I do  
I think twice so I go

How do I, how do I mend the wounds  
I need you, I want you here  
Cause I'm afraid

Fool

To think I could break all the rules  
Damage inside still are yet cool  
I'm dying over here  
I slowly break still I go  
How do I, how do I mend the wounds  
I need you, I want you here  
Cause I'm afraid  
I'm sorry  
I didn't mean to run, run

Ran away from home  
Mattered the world no reasons at all  
I'm lost, my mind's gone  
Everything can be looked away

I need you, I want you here  
Cause I'm afraid  
I'm sorry, I didn't mean to run  
Run...  
Too doo doo too doo doo doo (x3)  
Yeah  
Too doo doo (x13)
