

Urban Dub "Sailing"

Visit "[Sailing](#)" on MotoLyrics.com

Let's go all the way, motion in the ocean tonight
Let's go all the way, look up the star shines
All the way, motion in the ocean tonight
All the way.

Sail with me tonight
We really got to get away
The stars are for us tonight
The moonlight lights up your face,
Put on some Bob Marley on the player
You know he be playing our song!
In my speed boat we be speeding
In my sail boat we be sailing
In my tug boat we be tugging
In my pump boat we be pumping.

Around the world
Across the waves
Look at the stars they shine for us tonight
My love burns for you tonight...
