"Under Crisis"

I blame it on the world
So sad and so absurd
It's my pride that fuels my lies
I have no where else to turn
Drop ashes from the burns
Compromised my life.

Breaking down the walls
That's dividing and keeping me from you
Racing out...
Screaming out your frustrations
[Reaching out for a savior]
you go...

I need a savior now
Is heaven around?
I'm calling out.

I'm craving now
For a new dawn to descend on my soul
I'm racing now
Chasing after my salvation.

I'm tired of falling down.
