(Traditional Scottish Ballad)

Harp Intro.

The summertime is coming
And the trees are sweetly blooming
And the wild mountain thyme
Grows around the blooming heather
Will you go lassie go
And we'll all go together
To pluck wild mountain thyme
All around the blooming heather
Will you go lassie go
I will build my love a tower
Near yon' pure crystal fountain
And on it I will place
All the flowers of the mountain
Will you go lassie go
And we'll all go together
To pluck wild mountain thyme
All around the blooming heather
Will you go lassie go
Harp
If my true love she were gone,
I would surely find another
Where the wild mountain thyme
Grows around the blooming heather
Will you go lassie go
And we'll all go together
To pluck wild mountain thyme
All around the blooming heather
Will you go lassie go
And we'll all go together
To pluck wild mountain thyme
All around the blooming heather
Will you lassie go
