Whoa mama
Can I take this time
To let you know
That I love you mama
I know through the years it was hard
But now we thank God
That there's no more drama
I know daddy's gone
But that's ok, he's in a better place
Yes he is
But i'm still here and my brothers are still here
To take care of you
God gave you 4 strong boys
I know you know he's been good to you
That's why i'm singing to you
[Chorus]
Mama
Mama I love you
I don't give a damn about the media
Mama I just came here to let you know
Mothers killing their children
Starving their children
You took care of me
They even abusing them and accusing them
But you was there for me
I just stopped by to let you know
Hey there mama
Yeah you raised me right
And I got a baby, he's your grandbaby
And him and daddy look just alike
I know it's time, I know it's time, I know it's time
To live a better life
That's why i'm singing to you
[Chorus]
Mama, mama, mama, mama
Mama, mama, mama, mama
I'm gonna take time to let you know
That I love you
Somebody out there gotta mama
That they love too
You can understand
Where i'm coming from

[Chorus 2x]
