(Intro)

Living in the streets  
Lord knows it ain't easy  
Trying to get paper

Never tracing those greenzies  
Momma need a house  
Baby need shoes  
Time's gettin hard  
And the rain still do  
So I hustle all night

(Hook)

This is my life  
(My life , my life)  
Don't need no strife  
(Ain't right,ain't right)  
This is my life  
(My life , my life)  
I'm on my grind  
I got to shine  
Cause this is my time  
(My time, my time)  
Just hustling to get mine  
(Just hustling to get mine)  
This is my time  
(My time, my time)  
It ain't very nice  
I am working all night  
Cause this is my life  
(So tired of all the strife)  
(Cause this is my life)  
(And it ain't nothin nice)  
(Working all night)  
(Money is my wife)

(Verse 1)

This is my life everything is real here  
Homies get locked ,rent due fills here  
Pills here, weed here, dope here, powder here  
Got to chill but I got to get my mama out of here

Money is my wife on a corner with cocaine  
Shaking up the dice, crack, tryin to get it right here  
Waking with stress tired of this life  
Baby need new shoes , you know I got to buy her for  
Homie got 25 , you know I gotta ride for  
Like a G to the wheels is all  
'Cause alot of niggas is cops, but their shives is off  
Would you wanna bet that my life is realer than yours

(Hook)

This is my life  
(My life , my life)  
Don't need no strife  
(Ain't right,ain't right)  
This is my life  
(My life , my life)  
I'm on my grind  
I got to shine  
Cause this is my time  
(My time, my time)  
Just hustling to get mine  
(Just hustling to get mine)  
This is my time  
(My time, my time)  
It ain't very nice  
I am working all night  
Cause this is my life  
(So tired of all the strife)  
(Cause this is my life)  
(And it ain't nothin nice)  
(Working all night)  
(Money is my wife)

(Verse 2)

Another day another way I gotta get it  
The game is dirty as hell and I don't like fucking with it  
But looking at my situation I am out of choices  
And I'm starting to give in to all the fucking voices  
Telling me that money is the root of all evil  
But see I got to take care of my people  
It's my responsibility so I got to use my ability  
To get the money even though it's killing me  
Keep my friends close ,enemies closer  
Looking out for all these haters like I'm supposed to  
Fast life tryin' to get the fast money  
Can't nobody take the cash from me

(Hook)

This is my life  
(My life , my life)  
Don't need no strife

(Ain't right, ain't right)  
This is my life  
(My life , my life)  
I'm on my grind  
I got to shine  
Cause this is my time  
(My time, my time)  
Just hustling to get mine  
(Just hustling to get mine)  
This is my time  
(My time, my time)  
It ain't very nice  
I am working all night  
Cause this is my life  
(So tired of all the strife)  
(Cause this is my life)  
(And it ain't nothin nice)  
(Working all night)  
(Money is my wife)
