My man loves me like crazy
Ain't scared to tell me he's got me
On his mind all day all night
Yeah he's my mr right
My man treats me like his queen
Mercy me oughtta see him in blue jeans
Works hard his heart is gold
And I ain't ever gonna let him go

(Chorus)

He might be his momma's boy
Alabama's native son
The allman brothers biggest fan
But he's my man
And i'm gonna keep him close
Give him all my heart and soul
Make sure the whole world knows
That he's my man

My man he's rough he's tough
But he's got a slow hand soft touch
Makes me strong and makes me weak
He's all i'll ever need
Oh yeah one more thing girls
My man is all mine
Think twice before you go
Flashing those blue eyes
Don't go too close - back up
You can look but you can't touch

(Repeat Chorus)

(Last Chorus)

He might be momma's boy
Alabama's native son
But he's my lover my best friend
Yeah he's my man
And i'm gonna keep him close
Give him all my heart and soul
Make sure the whole world knows
That he's my man
