Suculent, Watermelon fresh
Leave to fester, Create a karesh
Tounge tied with voices from above
And continentals call this love

Pirahna bites, White blood
Bath running, Waterfall, Flood
The lone triangle plays it song
Yet we are back to square one

But would you call it fun
oh no
oh no
Oh the awkwardness of it all
Good memories standing tall
Now we get on with our lives
And we work until we die

What a nice suprise
Oh no
Oh no

lalalala
