Watch me, as close as you can and then kiss me,  
Before we both understand, what might be, or not be...  
Tomorrow...

But maybe, this could be  
The something that I've waited to feel,  
And maybe, this could be  
The someone that I'd found to love me...

Whisper a sweet saying in my ear  
Then listen to what my heart says so clear  
Then smile, just smile, for me...

But maybe, this could be  
The something that I've waited to feel,  
And maybe, this could be  
The someone that I'd found to love me...

But all I wanted, was love and power,  
And all you took was love and power  
So I can't stay in your life forever  
Your love cannot lead the way forever.

But maybe...
