"Beauty And A Beat"

Visit "[Beauty And A Beat](#)" on MotoLyrics.com

Clap your hands now people, clap hard
Clap your hands now people, clap your hands
Clap your hands now people, stomp your feet
Clap your hands now people, clap with me

Listen hard and tell me what you hear
Is it noise or is it def beats in your ear?
You said you want one, and now you got some
Vicious snare, high hats, and a bass drum
First the mix empress to impress you
Cutting right on time and I'll bet you

[Chorus]

There is a beauty and a beat inside you
You just dance to the beat of a song
And you just live it with your inside which is your beauty
It's practically dancing and living
4,3,2,1
There is a beauty..... and..... a..... beat..... inside you
Ho hey girl

(Clap,clap,clap,clap and dance)

(Clap,clap,clap,clap and dance)

Didn't know it (did you?), you can't believe it (could you?)
Word to life, I swear, we wouldn't kid you
And she can cut it up like a wild animal
Slicing and dicing away as a cannibal does
Cuz only a beauty can make you people clap with me
When I'm on the floor, beat is like romance

[Chorus]

There is a beauty and a beat inside you
You just dance to the beat of a song
And you just live it with your inside which is your beauty
It's practically dancing and living
4,3,2,1
There is a beauty..... and..... a..... beat..... inside you
Ho hey girl

The rhythm makes love to me as I dance
And from what I see it's about to be
A relationship between beauty and the beat
Word up y'all, it's a royal ball
Turn hip-hop clubs into concert halls
Inside is live, if I use up highs
Twelve hundred

(Clap,clap,clap,clap and dance)
(Clap,clap,clap,clap and dance)

[Chorus]
There is a beauty and a beat inside you
You just dance to the beat of a song
And you just live it with your inside which is your beauty
It's practically dancing and living
4,3,2,1
There is a beauty..... and..... a..... beat..... inside you
Ho hey girl

(Clap,clap,clap,clap and dance)
(Clap,clap,clap,clap and dance)

(Clap,clap,clap,clap and dance)
(Clap,clap,clap,clap and dance)
