[Labrinth]

You tell all the boys "No"  
Makes you feel good, yeah.  
I know you're out of my league  
But that won't scare me away, oh, no  
You've carried on so long,  
You couldn't stop if you tried it.  
You've built your wall so high  
That no one could climb it,  
But I'm gonna try

[The Karma Killers]

Not a stitch of makeup, I wake up  
Feeling less than great  
I think I'm crazy, from lazy  
I'm always running late  
And you come home right on time just to see me  
You see me at my worst  
And I'm thinkin' you're thinkin'  
I don't know why I married her  
But you say  
You take care of business and listen  
And make time just for me  
And I'm busy rushing and hushing  
Just so I can speak  
And you roll your eyes that look into mine  
And tell me just to wait  
And I'm thinkin' you're thinkin'  
She's crazy but I love her anyway

[Labrinth & Sean Bruen]

Would you let me see beneath your beautiful?  
Would you let me see beneath your perfect?  
Take it off now, girl, take it off now, girl  
I wanna see inside  
Would you let me see beneath your beautiful tonight?

[Labrinth]

You let all the girls go  
Makes you feel good, don't it?  
Behind your Broadway show

I heard a boy say, "Please, don't hurt me"  
You've carried on so long  
You couldn't stop if you tried it.  
You've built your wall so high  
That no one could climb it.  
But I'm gonna try

[The Karma Killers]  
I am selfish, self-absorbed  
Narcissistic, is this normal  
Running late, such a mess  
Too many details, where's my dress  
I wear a watch to conquer the world  
Where's my keys, the tank's not full  
I get in shape, it's hard to breathe  
Do you love me, oh you love me  
Everyday is so wonderful  
Then suddenly  
It's hard to breathe  
Now and then I get insecure  
From all the pain  
I'm so ashamed  
To all your friends you're delirious  
So consumed  
In all your doom, ooh  
Trying hard to fill the emptiness  
The pieces gone  
Left the puzzle undone  
Ain't that the way it is

[Labrinth & Sean Bruen]  
Would you let me see beneath your beautiful?  
Would you let me see beneath your perfect?  
Take it off now, girl, take it off now, girl  
I wanna see inside  
Would you let me see beneath your beautiful tonight?

See beneath, see beneath,  
I...  
Tonight  
I...

[Labrinth]  
I'm gonna climb on top your ivory tower  
I'll hold your hand and then we'll jump right out  
We'll be falling, falling but that's OK  
'Cause I'll be right here  
I just wanna know

[The Karma Killers]  
The time is right

I'm gonna pack my bags  
And take that journey down the road  
Cause over the mountain I see the bright sun shining  
And I want to live inside the glow  
Yeah  
I wanna go to place where I am nothing and everything  
That exists between here and nowhere  
I wanna got to a place time has consequence oh yeah  
The sky opens to my prayers  
Please understand that it not that I don't care  
But right know these wall are closing in on me  
I love you more than I love life itself

[Labrinth & Sean Bruen]

Would you let me see beneath your beautiful?  
Would you let me see beneath your perfect?  
Take it off now, girl, take it off now, girl (take it off now,  
boy, take it off now, boy)  
'Cause I wanna see inside  
Would you let me see beneath your beautiful tonight,  
oh, oh, oh, tonight?  
See beneath your beautiful, oh, tonight.  
We ain't perfect, we ain't perfect, no.  
Would you let me see beneath your beautiful tonight?
