I hate you
You're breaking the laws
You're destroying the garden
You're disturbing my babies
You are a brainless bitch
A brainless bitch
A brainless bitch
A brainless bitch
A brainless bitch
A brainless bitch
A brainless bitch

[Verse 1]

There's something about the way we fit
There's something about this psycho trip
There's something about the way we groove
Something's got me and I just can't seem to choose
There's something about the way we slide
There's something about this psycho ride
There's something about the things we do
Something's got me and I just can't seem to choose
There's something about the way we fit
There's something about this psycho bitch
There's something about the leaves we cut
Something's got me and I just can't seem to choose

[Bridge]

The one I love I hate
But the sex is great
The one I love I hate
I could suffocate

[Chorus]

I'm a bitch, I'm a lover
I'm a child, I'm a mother
I'm a sinner, I'm a saint
I do not feel ashamed
I'm your hell, I'm your dream
I'm nothing in between
You know you wouldn't want it any other way
I hate you

You're breaking the laws
You're destroying the garden
You're disturbing my babies
You are a brainless bitch
A brainless bitch
A brainless bitch

[Verse 2]

I hate the world today
You're so good to me
I know but I can't change
Tried to tell you
But you look at me like maybe
I'm an angel underneath
Innocent and sweet
Yesterday I cried
Must have been relieved to see
The softer side
I can understand how you'd be so confused
I don't envy you
I'm a little bit of everything
All rolled into one
So take me as I am
This may mean
You'll have to be a stronger man
Rest assured that

[Bridge]

The one I love I hate
But the sex is great
The one I love I hate
I could suffocate

[Chorus]

I'm a bitch, I'm a lover
I'm a child, I'm a mother
I'm a sinner, I'm a saint
I do not feel ashamed
I'm your hell, I'm your dream
I'm nothing in between
You know you wouldn't want it any other way
I hate you
You're breaking the laws
You're destroying the garden
You're disturbing my babies
You are a brainless bitch
A brainless bitch
A brainless bitch

There's something about the way we slide
There's something about this psycho ride

There's something about the things we do
Something's got me and I just can't seem to choose

[Chorus]

I'm a bitch, I'm a lover
I'm a child, I'm a mother
I'm a sinner, I'm a saint
I do not feel ashamed
I'm your hell, I'm your dream
I'm nothing in between
You know you wouldn't want it any other way
I hate you
You're breaking the laws
You're destroying the garden
You're disturbing my babies
You are a brainless bitch
A brainless bitch
A brainless bitch

The one I love I hate
But the sex is great
The one I love I hate
I could suffocate

The one I love I hate
But the sex is great
The one I love I hate
I could suffocate
