[Sean Bruen]

I said there's something in the way you move that
makes me think that I'm in love with you
There's something in the way you move, that makes
me think I hate myself
I said there's something in the way you move that
makes me think
I think that I am falling, falling back again
And I'm falling/out of time
Time out of sight/it's out of mind
I look for the courage/I can't find
Then she walks up and she says
Dance with me

[Verse 1]

See the picture in the hall
Framed in magic on the wall
Ain't it funny how it glows
What's on the inside
No one knows
What makes this picture
So inviting
To those who stand outside it
Thousands fill the gallery
They pay their price to see a dream
They can make believe for free
Two hours' worth of fantasy
Maybe they pretend
The picture's them
Or maybe they just love
To sit and blend
Tonight the picture has no frame
Colours unleash and float away
To each and everyone of you
Tonight the spirit brings the news
You become a part of it all
Thousands turn to one in the hall
Would you be interested in dancing with me?
And maybe tell me all your dreams

[Peter Symes]

I said there's something in the way you move that
makes me think that I'm in love with you
There's something in the way you move, that makes
me think I hate myself
I said there's something in the way you move that
makes me think
I think that I am falling, falling back again
And I'm falling/out of time
Time out of sight/it's out of mind
I look for the courage/I can't find
Then she walks up and she says
Dance with me

[Verse 2]

Talk to me like you would in your sleep
Don't censor anything
Cause i wanna hear everything
There's no innocence left to spoil
You can swear she's not a little boy
We'll fly tonight so far away
Where they will never find us
Use your wings and i will run fast
Cause that's what i do when i'm not afraid
We've got it made up in our heads
We don't have to wait for anyone or anything
Go anywhere we desire
So close your eyes become blind
From the world listen instead to the girl
She'll tell you why she chose to fly
And you're left behind
Just like me alone and free
We can smile when we've filled the void
And treated the burn
But until then i believe
We're gonna have to learn
To discard any disguise we're using
Yes it's hard and it's never amusing

[Sean Burke]

I said there's something in the way you move that
makes me think that I'm in love with you
There's something in the way you move, that makes
me think I hate myself
I said there's something in the way you move that
makes me think
I think that I am falling, falling back again
And I'm falling/out of time
Time out of sight/it's out of mind
I look for the courage/I can't find
Then she walks up and she says
Dance with me

Talk to me like you would in your sleep
Don't censor anything
Dance with me

[Verse 3]

Take your worries gather them together
Blow them in a big balloon
Watch them floating tie them on a string
We're going out so leave them in your room
Over the rainbow is a soul struttin
Hip bumpin star studded dancin saloon
Off of the freeway
Now sunset grip yourself
I've got to lose those boogaloos
Over the rainbow is a gold diggin hangout
For space cadets on coffee break time
On with the show
Now you gotta let go
When you're troubled with those riddles and rhymes
Just put on your face
Cause it's still early
Stop all the nonsense and shuffle to the hoedown

[Adam Maples]

I said there's something in the way you move that
makes me think that I'm in love with you
There's something in the way you move, that makes
me think I hate myself
I said there's something in the way you move that
makes me think
I think that I am falling, falling back again
And I'm falling/out of time
Time out of sight/it's out of mind
I look for the courage/I can't find
Then she walks up and she says
Dance with me
Talk to me like you would in your sleep
Don't censor anything
Dance with me

[Verse 4]

I know a girl
She's a shy girl
Don't say much
But I've got a hunch
She's got another side
She likes to hide
In the back of her head
In the front of my mind
Got a hip in her shake
Got a swing in her step

Got a thing in her thigh
And a gleam in her eye
All the girls get jealous
All the guys want more
When the lights go down
She hits the floor
I like the part
When the guy gets the girl
When they close the door
Makes me want a little more
I get that feeling
When I watch her go
I can watch for days
But let's take it slow
She's got that rhythm
She's got that bounce
The way she moves her thing
When she walks out

[Adam Ennis]

I said there's something in the way you move that
makes me think that I'm in love with you
There's something in the way you move, that makes
me think I hate myself
I said there's something in the way you move that
makes me think
I think that I am falling, falling back again
And I'm falling/out of time
Time out of sight/it's out of mind
I look for the courage/I can't find
Then she walks up and she says
Dance with me
Talk to me like you would in your sleep
Don't censor anything
Dance with me
Dance with me
All the girls get jealous
All the guys want more
Dance with me
Dance with me

[Verse 5]

Looking back
On the memory of
The dance we shared
Beneath the stars above
For a moment
All the world was right
How could I have known
That you'd ever say goodbye
Holding you

I held everything
For a moment
Wasn't I the queen
If I'd only known
How the queen would fall
And who's to say
You know I might have changed it all
Stay calm, be still.
Break that fall.
I have no time for this at all.
I've forgotten all about the child in me.
My brothers, sisters, they had to leave

[Sean Bruen]

I said there's something in the way you move that
makes me think that I'm in love with you
There's something in the way you move, that makes
me think I hate myself
I said there's something in the way you move that
makes me think
I think that I am falling, falling back again
And I'm falling/out of time
Time out of sight/it's out of mind
I look for the courage/I can't find
Then she walks up and she says
Dance with me
Talk to me like you would in your sleep
Don't censor anything
Dance with me
Dance with me
All the girls get jealous
All the guys want more
Dance with me
Dance with me

[Verse 6]

My name is Mary and I'm from Greenville, Mississippi
But this is where I live here in this old folks'
Dormitory
Every Sunday night Sarah comes to see us
And she plays that old upright
But Sarah always seems to leave us
When she plays something comes over me
Goes from my head all the way to my feet
I had three girls and a boy but now one's gone up to
Heaven
She's with her papa now 'cause he left for lack of
Penicillin
The older that I get I figure everyone is dying
They're all dying for a change
I know I'm dying for some action

But days like these Sunday seems so far away
So until then I'm gonna sit right here and here I'll
Stay

[Peter Symes]

I said there's something in the way you move that
makes me think that I'm in love with you
There's something in the way you move, that makes
me think I hate myself
I said there's something in the way you move that
makes me think
I think that I am falling, falling back again
And I'm falling/out of time
Time out of sight/it's out of mind
I look for the courage/I can't find
Then she walks up and she says
Dance with me
Talk to me like you would in your sleep
Don't censor anything
Dance with me
Dance with me
All the girls get jealous
All the guys want more
Dance with me
Dance with me

[Verse 7]

Girl, I can't help myself
I'm stuck on the view
I like the way you do
The tricks that you do
You're flirting with the music
Like it's your boo
Got me lost in my fantasy
Picturing you and me
It's been a while and I still wonder
If I'll take your hand, take over
Control your body just for the night
Let me bless your hips
Just like you want to
Every step I share it with you
Let me do it right, do it right

[Verse 8]

I feel the ice is melting
Because of you
This drink could never ever
Compete with you
The way you make me feel
It's hard to be true
I'm so drunk on the energy you

Putting inside of me
'Ey mr DJ please do me as favor
Turn it up a little bit
I wanna do this number
See, I got this little shorty
Acting like she really want it
And for sure she gonna get it
And she give me, give me, give me

[Everyone]

You give me reason to party
I'll probably spend all my money
The way you Dance Dance Dance...
I said there's something in the way you move that
makes me think that I'm in love with you
There's something in the way you move, that makes
me think I hate myself
I said there's something in the way you move that
makes me think
I think that I am falling, falling back again
And I'm falling/out of time
Time out of sight/it's out of mind
I look for the courage/I can't find
Then she walks up and she says
Dance with me
Talk to me like you would in your sleep
Don't censor anything
Dance with me
Dance with me
All the girls get jealous
All the guys want more
Dance with me
Dance with me
