What's it li-ike to give up on your dreams?  
I hope I never have to find out  
I'm feeling dow-ow-own (ooh, ooh)  
I'm tearing at the seems  
And here I am just singing out (singing)  
You never tri-i-ied (ooh, ooh)  
You never made it real  
You never even bothered to shou-out (shout)  
I'm making sou-ou-ounds (ooh, ooh)  
I'm working on my dreams,  
But here I am just singing out (singing)  
I'm calling you out  
Like we did when we were kids  
And you still had dreams of making it big  
How can it be that you gave up?  
It's all a show

[Adam Maples]

I am a domino  
No one knows (no one knows)  
What's in store, (what's in store)  
I am a domino  
But you got to (got to)  
Keep on (keep on)  
I am a domino  
Moving on  
It takes time to grow (time to grow)  
You never know (never know)  
I am a domino

[Adam Ennis]

Don't wanna discuss it  
Think it's time for a change  
You may get disgusted  
Start thinkin' that I'm strange  
In that case I'll go underground  
Get some heavy rest  
Never have to worry  
About what is worst or what is best  
There's no need for argument

There's no argument at all  
And if you never hear from him  
That just means he didn't call  
Or vice versa  
That depends on where ever you're at  
(All right)  
And if you never hear from me  
That just means I would rather not

[Adam Maples]  
I am a domino  
No one knows (no one knows)  
What's in store, (what's in store)  
I am a domino  
But you got to (got to)  
Keep on (keep on)  
I am a domino  
Moving on  
It takes time to grow (time to grow)  
You never know (never know)  
I am a domino

[Peter Symes]  
My my, ow, yeah!  
Never had confession, never had a home  
Never had no worry, until I met Domino  
Ain't the virgin Mary, love her I confess  
Got my hesitations,  
'cause she kisses like the kiss of death  
Loves lots of money, back's against the wall  
Calls me "Sugar Daddy",  
she knows she's got me by the balls  
They call her Domino - "so fine"  
"Now lemme tell ya my story,  
I got a man-sized predicament  
And it's a big one, goes like this, yeah"  
Got a reputation, haven't got a hope  
It's a sticky situation,  
if she ain't old enough to vote  
Loves to play with fire, loves to hurt so good  
Loves to keep me burnin',  
'cause she's a bad habit, bad habit  
Bad habit that's good, good, good  
Blinding me it seems you cannot help out with the  
situation  
It always has to be somebody's fault but never yours  
Taking what I said and making things up that did not  
exist before  
Every time we say hello, it's like meeting a total  
stranger  
And when we're on our own you know there's not much

left to say  
Just wait for everyone to nod their head then you nod  
yours  
What difference will that make?

[Adam Maples]
