[Sryan]

I got myself a sweetheart
A real good steady job
Awoh! there's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake

[Adam E]

A house up on the hillside
Who's price keeps goin' up
Awoh! there's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake

[Everyone]

There's no head on this chicken
When the ground is on the rise
I flee in all directions
And I pray toward the skies
I've Never been a coward
Or that extremely wise
But it doesn't take a genius

[Adam M]

Soakin' in my hot tub
Life's working out just right
Awoh! there's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake

[Peter]

But then the earth starts shakin'
Here comes the afterlife
Awoh! there's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake

[Everyone]

I'm packin' up and goin' to north dakota
Well I heard it's freezing cold but I don't care
I'd rather get that frostbite on my fingers
Than end up crushed beneath my fridgidaire
So.... forgive me if I'm out of sorts
I'm really not to blame
The fault lies with Andreas

[Sean]

Oh she's messin' up my brain
I love this sunny paradise
Awoh! there's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake

[Evan]

But hate it's rock and roll
Oh I can't stand the ups and downs
Awoh! there's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake

[Everyone]

That earthquake, earthquake
That earthquake, earthquake
Earthquake, earthquake
That earthquake, earthquake
Oh I'm gettin' out of here

[Nathan]

Face look good and they all black
Man all fin to party I don't know how to act
Awoh! there's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake

[Everyone]

Man she dance like a hoe getting paid for
Then she all on my dick and she made for
Awoh! there's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
There's a fuckin' earthquake
