[The Karma Killers]

I remember the first time we met
You was at the mall with your friends
I was scared to approach ya
But then you came closer
Hopin' you would give me a chance
Who would have ever knew
That we would ever be more than friends
We're real worldwide, breaking all the rules
He's like a song played again and again
That boy, like something off a poster
That boy, is a dime they say
That boy, is a gun to my holster
He's running through my mind all day

[Chorus]

Shawty's like a melody in my head
That I can't keep out
Got me singin' like
Na na na na everyday
I have having fun with my ipod 5
ipod 5
ipod 5.....

[The Karma Killers]

See you been all around the globe
Not once did you leave my mind
We talk on the phone, from night til the morning
Boy, you really change my life
Doing things I never do
I'm in the kitchen cooking things he likes
I can be your melody
Oh boy I could write you a symphony, oh
The one that could fill your fantasies
So come baby boy and sing with me
Last time I bought a CD was in 89'
Aight, I'm lyin'
But, yo, it's been a long time.
Nowadays, I just go online
See what I like, right â€œclickâ€œ, and that song's mine.
It ain't the fact I wanna see the artist cryinâ€œ

[Chorus]

Shawty's like a melody in my head
That I can't keep out
Got me singin' like
Na na na na everyday
I have having fun with my ipod 5
ipod 5
ipod 5.....

[Chorus]

Shawty's like a melody in my head
That I can't keep out
Got me singin' like
Na na na na everyday
I have having fun with my ipod 5
ipod 5
ipod 5.....

[50 Cent]

There is just not even coming out worth buying.
If I hear a song on the radio, that I like
I make sure I log on later in the night.
Limewire, bearshare, maybe kazaa,
I type it in and click search and "œhaha!
There you are!"
Ain't no escaping, if you try
Cuz' my modem is quicker than a blink of an eye.
Illegal downloadin' is a criminal offense.
Ain't saying I do it,
I just say that's how it went.
Rappers swear their shit is hot
But I wont spend a cent, 50 Cent
You ain't getting my twelve dollars until I'm fully
convinced
My iTunes account, shit, I never use it
I just use my iTunes to store all of my music.
Remember before the internet was here,
Before CD's when cassettes was all you hear.
Had to switch from A side to B side,
Now all you gotta do is your MP3's ride.
But it's not just the computer nerds doin it
Leaving it up to bootleggers to ruin it

[Chorus]

Shawty's like a melody in my head
That I can't keep out
Got me singin' like
Na na na na everyday
I have having fun with my ipod 5
ipod 5

ipod 5.....

[Chorus]

Shawty's like a melody in my head

That I can't keep out

Got me singin' like

Na na na na everyday

I have having fun with my ipod 5

ipod 5

ipod 5.....
