[The Karma Killers]

This is not an exclusive, so pardon me  
As I get on my Adidas new shit  
You know them stakes is high I cant relate to guys  
That create disguise is  
Exaggerate how great they pies is  
Is that a pizza or lemon merengue?  
You ain't slangin' a thang, play guerilla  
But you ain't even orang and a tang  
I hang with a gang, we ride 'til we die  
Why don't you try to karaoke this verse  
Is the nigga with a whole bunch of birds  
And don't none of them chirp?  
Ten ways to calm down and don't none of them work  
I go bezerk with a gun in my shirt  
Blow a hundred of earth, pastor said, "Don't come to  
the church"  
I'm a problem when it come to the work

[Pink]

Listen if it's a race to split ya face, I'll be comin' in first  
I show up niggas wonder who I'm comin' to murk  
Got my broad in the corner gun under the skirt  
And we lookin' at ya jewels, tryin' to wonder the worth

Gettin' slayed at night, take away the ice  
'Cause it's sorta like sprite, how we obey our thirst  
Shoulda known you seen both of the R's

Ghost come with the toast, Jin came with the Chinese stars  
You can catch me downtown at a Chinese bar  
Dai-ma like a motherfucker high off la' wha  
I'm gonna turn on my dancin' eyes bright  
Gonna ask her to dance square round or in tight  
Gonna do the heavy chauvy droolin' man thing  
I'm a master of attention  
I go to any length and dimension  
I got needs that bleed and a love that screams  
Oooh I'm pinchin' dreams

[Pink]

Gotta find a new way to her heart  
Gonna get her to hug me full or soft touch  
Gonna do the please please give me anything  
I'm a master of expression  
And I want to sing with you  
So I asked her to dance I was lookin' for new heights  
She said no BoBo, not on karaoke night  
Turn up the car radio  
We can be karaoke superstars  
Doesn't matter what they think  
When we're driving in my car  
If we don't think about it  
Red rover red rover please let me come over  
Who made you queen for a day  
And us court to rule over  
Last to be chosen will be here leftover  
Well it's alright maybe it's alright maybe it's
