Woaaaaaaaaaaaaahhh! I am on moviestarplanet  
Woaaaaaaaaaaaaahhh! I am on moviestarplanet

[The Karma Killers]

The movie will begin in five moments  
The mindless voice announced  
All those unseated will await the next show.  
We filed slowly, languidly into the hall  
The auditorium was vast and silent  
As we seated and were darkened, the voice continued.  
The program for this evening is not new  
You've seen this entertainment through and through  
You've seen your birth your life and death  
You might recall all of the rest  
Did you have a good world when you died?  
I'm getting out of here  
Where are you going?  
To the other side of morning  
Please don't chase the clouds, pagodas  
Her cunt gripped him like a warm, friendly hand.  
It's alright, all your friends are here  
When can I meet them?  
After you've eaten  
I'm not hungry  
Uh, we meant beaten  
Silver stream, silvery scream  
Ooooooh, impossible concentration

[Chorus]

I am on moviestarplanet  
I might become well known  
I might make an artbook  
I might be a handsome man  
I am on moviestarplanet

[P!nk]

Can't seem to take  
Your picture off the wall  
We've been apart  
For way too long  
And I never thought it'd be so hard

I need the strength to carry on  
Here comes one more  
Sunset without ya  
Are you seeing what I see?  
Your voice is kind  
And now here on the phone  
There's so much that I gotta say  
Need you to know I want you in my arms  
And I'm just counting down the days  
There goes one more  
Midnight without ya  
Ground zero crowned hero  
But aint nobody ever heard the sound befo'  
I found me so

[Chorus]

I am on moviestarplanet  
I might become well known  
I might make an artbook  
I might be a handsome man  
I am on moviestarplanet

[Pre-Chorus]

They say I got a suicidal tendency murdering my  
enemies verse  
It ain't no questioning thunder under my shirt  
I am on moviestarplanet, planet  
Fuck around and you'll be up under the dirt  
This automatic will turn your home into a hearse  
I am on moviestarplanet, planet

[Will.I.Am]

I'm on a small grey smudge of a planet  
And it's spinning out of control  
It's not the way I would have planned it  
If I had the self-control  
Do you believe it's comforting?  
Do you believe it's comforting?  
When other worlds around you turn  
And beg to follow you  
They tremble in their heels  
Tremble in your heels  
And say start again  
Say start again  
Under moonlight, bright as a searchlight  
I said, "Come on, come on, let's go."  
But by daylight, blasted bleach white  
And we'll never, never find our way back home  
Were going over the country  
And into the highlands  
To look for a home

Were leaving nothing behind us  
And no one will find us  
When we're on our own  
I feel the planets surround me  
They gather round me  
We're moving out of the city

[Chorus]

I am on moviestarplanet  
I might become well known  
I might make an artbook  
I might be a handsome man  
I am on moviestarplanet

[Pre-Chorus]

They say I got a suicidal tendency murdering my  
enemies verse  
It ain't no questioning thunder under my shirt  
I am on moviestarplanet, planet  
Fuck around and you'll be up under the dirt  
This automatic will turn your home into a hearse  
I am on moviestarplanet, planet

[Chorus]

I am on moviestarplanet  
I might become well known  
I might make an artbook  
I might be a handsome man  
I am on moviestarplanet

[Pre-Chorus]

They say I got a suicidal tendency murdering my  
enemies verse  
It ain't no questioning thunder under my shirt  
I am on moviestarplanet, planet  
Fuck around and you'll be up under the dirt  
This automatic will turn your home into a hearse  
I am on moviestarplanet, planet

No, way, way, way, way (moviestarplanet)
