[The Karma Killers]

We don't have to worry bout no money, to have us a  
real good time  
and we don't have to leave in the morning, the whole  
day just you and I,  
and it don't have to get any better, it's perfect you in  
my life  
We don't have to worry bout no groceries, we can fill up  
on love alone,  
If we ain't got enough for a movie, we can just sit at  
home  
Have a little role play baby, whatever turns you on  
Pack a lil love for the evening, let me hold you tight  
Don't be worried about my problems believe me -  
everything's gonna be alright  
... watching cartoons, whatever makes you smile  
Ain't nobody worried bout no money, and we still gonna  
have a good time  
Like JJ, Thelma, and Willona, we gonna have a good  
time  
We can take a stroll in the park, holding hands walking  
side by side  
Drop the top down on the lac, feel the breeze and take  
a lil ride  
You know I love the southern stuff baby  
Fish and chicken with the hot fries  
And we a perfect match, I'm the ham and you the good  
collard greens on the side

[Chorus]

I rated you 9  
and I rated Nicola 9.5  
Now I rated Molly 10  
They're all so sound  
So what ya talking about?  
I rated Saoirse 8  
and I rated Sarah 7  
Now I rated Jean 7.5  
They're all so sound  
So what ya talking about?

[K Koke]

Must thing that I'm an actress 'cause you played the role.

You came with so much drama that tickets should be sold.

If my life is a movie, then can I direct?

Your performance isn't working, so please get off my set

In the beginning you were my MVP.

But now you warm the bench and you cannot play for me.

It seems your game is lacking but still want the ball.

At the buzzer took the final shot, but you still can't hit the hole

You were the star in my picture show.

Gave a performance that was all so memorable.

Like most leading men, you're a basket case.

(On the floor is your face) and your best scenes have been erased

He really liked flanel with red over-alls

If you look in his closet it was all that you saw

He dressed up on Sunday and thought he look neat

In a green leasure suit with wing tips on his feet

[Chorus]

I rated you 9

and I rated Nicola 9.5

Now I rated Molly 10

They're all so sound

So what ya talking about?

I rated Saoirse 8

[Example]

And I was 15 and real hip with long hair

And I asked momma why is daddy so square

And I couldn't believe all that he didn't know

I guess it's hard to be cool when your 40 years old  
The night I turned 20 she came with the news  
Scared half to death and didn't know what to do  
I told her I'm sorry but it's not too late there's a doctor  
I heard of that fixes mistakes  
I thought he was workin' and I was alone  
But he was stang behind me when I hug up the phone  
He said son there's a few thing you don't know about  
If you listen real close we can figure this out  
Cus I was 18 and as wild as it came when one night  
A young girl told me the samething and you wouldn't  
be here  
If she hadn't said no you see it's hard to be cool when  
you'r 20 years old

[Chorus]

I rated you 9  
and I rated Nicola 9.5
