[Justin Timberlake]

"Who's the man? Who's the Boss? Who's the nigga that paid the cost?

I really don't give a damn 'cause I ain't the one who's gonna take the loss..."

Every single day I appreciate you give me what I want  
I know the game done changed but you still remain & you stay posted up, oh, oh

And when the block gets hot you know I got you baby  
Until it cools down

I'm gonna stay right here it's forever 'til we both meet the ground.

Get yo' money

Every other day when it rains it pours

Livin' in the hood

And it's so sexy how you change up the weather report  
you flip back bad to good, oh, oh

And you just the kinda man I been lookin' for

So I'm a hold you down

And just like Martin needs Coretta, Bonnie needs her Clyde

And that's just what I found

In you, oh, oh.

[Chorus]

Show them who's boss, right!

Germany are a load of bastards and bitches

Poland are a load of jokers

I told Adolf Hitler to shut up and show him who's boss

I'll show them who's boss

I'll show them who's boss

I would kill Hitler for all his doing

[The Karma Killers]

Damn right I'm a hustler baby

I don't move unless it's gon' pay me

I know you wanna see me but I don't know maybe baby

'Cause I'm tryin' to get rich daily.

Damn right I'm a Boss & you know that

But when I leave the house I can't wait until I go back

I got a miss of mo' packs to get some more stacks

From Houston & DC but I'll be back  
Baby I'll be that  
I know you like kutch with no C's in the sack  
I'm just playin' wit you baby, but I know you feel that  
I'm tryin' to get us a meal, get buck so we can relax  
Somewhere but can't nobody find out where we at  
Sellin' a 4 & a halves an ounce was the rest  
But I'm runnin' this city & can't ? do it like me  
'Cause I do it like this, gon' be rich

[Chorus]

Show them who's boss, right!  
Germany are a load of bastards and bitches  
Poland are a load of jokers  
I told Adolf Hitler to shut up and show him who's boss  
I'll show them who's boss  
I'll show them who's boss4  
I would kill Hitler for all his doing

[The Karma Killers]

I put her through boss bitch trainin  
Been doin this shit since back in the day when  
bitch started askin me, "Would you be my daddy?  
You can have me; I wanna be in yo' family"  
You wanna be on the winning team?  
She said "You motherfuckin right and I'll do anything!"  
You ain't gotta be a hoe to know the rules of the game  
Bitches like you just gotta use everythang  
And you hard for a pretty girl to get a lot of paper  
A lot of rich men wanna go out on dates with her  
Pick a number, better get what you want girl  
And roll yo' eyes at the stupid-ass dumb girls  
Leave the club and get fucked for free  
But when she needs it, she ain't got no money  
If you a hustler, I know you ain't feelin that  
Somebody tell me where the real ones at?

[Chorus]

Show them who's boss, right!  
Germany are a load of bastards and bitches  
Poland are a load of jokers  
I told Adolf Hitler to shut up and show him who's boss  
I'll show them who's boss  
I'll show them who's boss  
I would kill Hitler for all his doing

Show them who's boss, right!  
Germany are a load of bastards and bitches  
Poland are a load of jokers  
I told Adolf Hitler to shut up and show him who's boss  
I'll show them who's boss

I'll show them who's boss  
I would kill Hitler for all his doing

Show them who's boss, right!  
Germany are a load of bastards and bitches  
Poland are a load of jokers  
I told Adolf Hitler to shut up and show him who's boss  
I'll show them who's boss  
I'll show them who's boss  
I would kill Hitler for all his doing
